

Prequalification Result Notice

Prequalification result notification, based on KfW Procurement Guidelines (January 2019, 1st update of January 2021), Article 2.5.7 and Appendix 3.

Project Name: Schwarzekuppe - Swakopmund Water Pipeline Replacement Sections 6B and 6C

Country: Namibia

Reference Number: Procurement Reference No.: W/OIB/NW-006/2024
BMZ 202068427/KfW 509396

Project-No.: 47707

Financing: KfW Development Bank

Project Executing Agency: Namibia Water Corporation Ltd. (NamWater) 176 Iscor Street, Northern Industrial Area, Windhoek, Namibia

Project: The project comprises the replacement of two sections of the Schwarzekuppe - Swakopmund water pipe-line, which forms part of the 72.1 km Kuiseb - Schwarzekuppe - Swakopmund water pipeline system. The groundwater extracted from the Swartbank Aquifer of the lower Kuiseb River Basin is used to supply water to Walvis Bay on the one hand, and to supply the towns of Swakopmund and Arandis on the other hand. The groundwater extracted from the Kuiseb River is also used to supply water to the Rössing, Langer Hein-rich and Husab uranium mines if required. Although this groundwater resource is dependent on natural recharge and may only be abstracted on a sustainable basis, it, together with the Omdel Aquifer it is by far the most cost-effective source of water supply in the Central Namib Area.

List of Prequalified Applicants:

- China Jiangxi Economic and Technical International Corporation Ltd. (China)
- China Railway Seventh Group Co., Ltd (China)
- Unik Construction Engineering Pty Ltd. (Namibia)
- Zhong Mei Engineering Group Pty Ltd (Namibia)
